KALBARRI

"Merry Christmas & Happy New Year"

This year's combined Christmas party for the Emergency Services Volunteer Groups in Kalbarri was hosted by Marine Rescue Kalbarri on Sat Dec 9th 2023. Attended by the incredible volunteers within the community from SES, Kalbarri Fire Brigade, St John Ambulance and Marine Rescue Kalbarri. It was a perfect afternoon, with delicious food, good company, lots of laughter, full bellies and a perfect sunset. A great opportunity to catch up with everyone, reflect on a successful year and feel good about achievements for Kalbarri!

Sincere thank you to all those that made this happen, many hands make light work!

Special thanks to the Australasian Order of Old Bastards Kalbarri (AOOB) who kindly donated funding for the purchase of solar Christmas lighting to beautify the building and make the foreshore sparkle. Till next year, which will be hosted by St John Kalbarri.
